Our Lodge was back into full swing last month. Our first stated meeting of the year was well attended, and we discussed several things that will be taking place this year. Grand Lodge Communications is fast approaching, and the elected officers will be reporting on it at our upcoming stated meeting taking place Thursday, February 6th.

The monthly pot luck dinners have resumed, and those who were able to attend in January enjoyed some wonderful food, friendship, and company. We had two new gentlemen attend and ask questions about the fraternity, and we have also received 5 petitions for the degrees that will be read in February. We plan to continue these dinners throughout the year on the Third Thursday of each month at 6:00 pm, and encourage everyone to bring their family and friends and enjoy the evening!

We would like to extend a special thank you to Wor. Bro. Neal Lundberg who has spent countless hours helping maintain and repair things in and around the lodge building throughout the years. He has most recently been working on repairing and upgrading our bathroom facilities both up and downstairs so they will better serve us for the years to come. His expertise in taking care of our building is remarkable, and he is to be commended for all his hard work! Thank You brother!

I was mentioned previously that we have obtained a new projector to be used in the lodge for educations or other presentations. We would like to extend the invitation and encourage anyone who would be interested in presenting an education this year to please do so! If you have questions or would like help in planning something, contact Wor. Bro. Chris Young or myself and we would be happy to assist! We have also discussed dedicating one evening a month to practicing degree work, and we would like to begin doing this on the second Thursday of the month. We will meet as usual downstairs for coffee and chit-chat, then we will adjourn upstairs for some practice.

Finally, I wanted to again thank those who have been vigilant in paying their dues on time this year. I extend a gentle reminder, in the most tender manner, to those who have not yet taken care of dues for the 2020 year that they are now due, and we would appreciate them being taken care of as soon as possible. If you have any questions or concerns you would like to discuss, please contact Wor. Master Ed Nelson or myself.

Fraternally,
John Adams PM, Secretary
