We are excited to begin another great year of Masonry here in Cedar City, where we will be continuing with the programs and traditions we have found to be successful, as well as implementing some new ideas and things in hopes to keep things fresh and encourage growth. First off, a big thanks to those who showed their willingness to serve as our Officers and leaders – they are listed on the next page, along with those who have been assigned to our standing committees.

We will be continuing the monthly newsletter, and will try and provide as much information here as we can. We also will keep the calendar updated on our website, so please take the chance a few times each month to check it for changes or updates. We have found that Facebook seems to be the most popular and fastest way to get the word out when things do change, so if you haven't already, make sure to join our group there.

The third Thursday of each month will continue to be our official meet-up night, but we will also continue to meet every Tuesday and Thursday after work, with Thursday's being our night where we will focus on ritual work, degree practices, and candidate coaching.

Many of you have already paid your dues for 2017, and we appreciate your promptness. For those who haven't yet, we appreciate your pending promptness. :)

Grand Lodge Communications is coming up next month, February 2-4. If you are interested in attending, contact WM Chris or myself and we will get you the information you need.

~ John Adams PM, Secretary.
