Master's Minute

Happy New Year Brethren!

I hope you all had a very Merry Christmas, and I extend my best wishes for a wonderful and prosperous New Year! I'm looking forward to another great year of Masonry in Cedar City! I want to extend my thanks again to those brethren who are taking on officer positions, as well as those who have agreed to help with our standing committees. We will be continuing many of the programs we have had success with in the past, and we also hope to implement some new ideas and find new ways to help our lodge grow and succeed in the future. Please feel free to contact me if you have any suggestions or ideas that you feel would benefit the Lodge.

Sincerely and Fraternaly, Chris Young WM

What's Happening – What's New

As we begin a new year in Cedar City Lodge, first, a quick reminder that if you have not paid your dues yet that they are now due. Our Grand Lodge per capita and insurance payment are due, and they require a large chunk of our funds. My thanks to those who have already paid.

Grand Lodge Communications are being held this year on February 1st through the 3rd. The Grand Master has encouraged all Master Masons who are able to attend and participate in the proceedings. You should have received the forms and information from me via e-mail, and we will also be discussing the details more at our Stated Meeting on January 4th.

After some feedback and further discussion, Wor. Master Chris has decided to move our monthly pot-luck dinner from the Stated Meeting night to our third Thursday meet-up night. We hope this will make it easier for families and friends to attend, as well as giving us all more time to socialize and enjoy the evening. We will provide more information on the dinners on our Facebook page and with e-mail updates.

I hope you have enjoyed our monthly newsletters, and as they continue please feel free to contact me if there's things you'd like to see included! I'm always looking for new ideas!
