"Making Good Men Better"

March 2020

What's Happening – What's New

Our 2020 Masonic year is off to a great start. We had another very successful and enjoyable pot luck dinner this past month – it was great to see everyone's families and friends, and we also had a handful of interested men come and meet some of the brothers. We thank everyone who participated and helped make it a fun evening. We are also excited to be voting on 5 potential members this coming month and look forward to growing our lodge even more!

We express our gratitude to the brothers who have been helping with building maintenance and snow removal during these winter months, and we're happy to report that the new gutters have all but eliminated the ice buildup we used to experience on the north side. We have some more projects that will need to be done when the weather warms up, and as always we ask everyone when you happen to be at or around the lodge just to keep an eye on things and check the building and grounds when you have the chance. If you come across things that are in need of repair or attention, please let Wor. Master Ed or myself know.

I would like to remind and encourage anyone who hasn't yet signed up for GrandView to please do so and take advantage of all the information that is available there. Many of the Grand Lodge emails and communications will be coming through Grandview only, and if you aren't setup to receive those messages there are things you will miss out on. We also have the lodge bylaws and minutes from stated meetings uploaded there, and they can be referenced at any time. In addition, the candidate study guides and other educational materials have been added. Instructions on how to sign up were sent out previously, but please contact me if you need them again.

Fraternally,
John Adams PM, Secretary
