What's Happening – What's New

This past month has been a busy one, and we've accomplished many good things. First, we would like to extend a hearty welcome to our newest Entered Apprentice, Bro. Conrad Anderson. We are excited to have him join our lodge and look forward to assisting him on his journey as a Freemason. Welcome Brother Anderson!

We congratulate Bro. Ben Jordan on being raised to the sublime degree of Master Mason this past month as well. Bro. Jordan has become a great asset to our lodge, and we look forward to having him as a member of our lodge and the fraternity.

Our pot-luck dinner this past month was well attended, and we had a very enjoyable evening of good food, good conversations, and good fellowship! We appreciate everyone who has been able to join us and participate in these dinners, as we believe they have become a very worthwhile event to have on a monthly basis. It has been a pleasure to get to know everyone's families and friends better through these causal get-togethers.

We thank the brothers and family members who have been helping with some cleaning and maintenance items these past few summer months. A little effort has gone a long way in helping keep our building and grounds in good order. Our new gutters have been installed as well, and we are hopeful they will all but eliminate the ice issues we've been facing on the North side of the building all these years.

A reminder that our joint Grand Lodge Visitation is coming up on Saturday, September 7th, and is being held here in Cedar City. You should have received an email from me outlining the days events, but if you did not receive it or have any questions feel free to contact me. In speaking with some of the members of Grand Lodge, they want everyone to know that ALL Masons are invited and encouraged to attend – it is NOT just for Master Masons. There will be training sessions taking place in the morning, followed by a catered lunch, and the Grand Master's visitation in the afternoon. If you are planning to attend and partake in the lunch, you must RSVP to Jason Allred no later than September 4th. Again, if you have not received the details of the Visitation, please let me know.

Fraternally,
John Adams PM, Secretary

What makes you a Freemason?

"The real Freemason is distinguished from the rest of mankind by the uniform unrestrained rectitude of his conduct. Other men are honest in the fear of the punishment which the law might inflict; they are religious in expectation of being rewarded, or in dread of the devil in the next world. A Freemason would be just if there were no laws, human or divine, except those which are written in his heart by the finger of his Creator. In every climate, under every system of religion, he is the same. He kneels before the universal throne of God, in gratitude for the blessings he has received, and in humble solicitation for his future protection. He venerates the good men of all religions. He disturbs not the religion of others. He restrains his passions, because they cannot be indulged without injuring his neighbor or himself. He gives no offense, because he does not choose to be offended. He contracts no debts which he is not certain that he can discharge, because he is honest upon principle.
